

# CAOS Child Care Costs

Child care includes care provided before school, after school, and on days that school is not in session. Child care sign up forms are sent home at the beginning of each month to reserve care for the following month. Forms are due back by the 1<sup>st</sup> of each month to reserve care for the following month. Care that is requested after the 1<sup>st</sup> of the previous month will be charged at the drop-in rate, which is \$1 more than the charges listed below.

Tuition billing is processed every two weeks on Fridays. Automatic payments through Tuition Express are deducted at this time.

To ensure a safe environment for the children and staff, child care staffing is based on the number of children reserving care each month. As space allows, we will be happy to accommodate unexpected needs for child care throughout the semester. Please communicate directly with the school office to determine whether ratios allow for your child to be safely included in child care on any given day. The best way to ensure that your child will be guaranteed a spot in child care is to reserve your child care needs each month by the child care sheet submission deadline.

Reserved care will be billed at the rates listed above in your bi-weekly child care automatic payment. Any care that is not reserved by the child care form submission deadline, the 1<sup>st</sup> of each month, will be due by drop-off the day after care is provided.

Carle employees receive a 10% discount for each child who attends Carle Auditory Oral School. The sibling discount is available to Carle employees, though it should be noted that the ten percent sibling discount is calculated after the employee discount is applied.

**Sibling Discounts** - All families will receive 10% off tuition, before care and after care for any additional children attending the school.

Child Care Resource Service offers financial support so that families with lower incomes can access high quality programs for their children while they work or attend school. Our school is credentialed with CCRS. Individual families can apply to CCRS to determine whether their income and family size qualifies for CCRS support. Eligible families will be assigned a monthly family co-pay. The CCRS payment, and assigned co-pay, are deducted from the cost of attendance. The family pays the difference between the full cost and the CCRS payment and co-pay. For example, if CCRS paid \$35/day, and the family co-pay covered \$5/day, the family would be responsible for the remaining \$16.81/day for summer camp costs.
